

# Fundraiser Table Tent Card

Print your table tent card at home, or at a print store.

Cut out the tent card pages and fold along the marked lines.

Apply glue or double-sided tape to the tabs and attach the pages edge-to-edge, forming a triangle shape when upright.

The image shows a template for a fundraiser table tent card. It features a decorative border of pink and yellow circles with various symbols like hearts, stars, and ribbons. In the center, there is a graphic of a hand holding a heart with a dollar sign inside. Below the graphic, the text reads: "Donate now. Let's beat breast cancer together!". At the bottom, there is a pink section containing the website "pinkribbonbreakfast.co.nz", social media icons for Facebook and Instagram with the handle "@pinkribbonNZ", and the "PINK RIBBON BREAKFAST Breast Cancer Foundation NZ" logo. A dashed line on the right side indicates a fold line, and a scissors icon at the top indicates where to cut.

**Donate now.**  
**Let's beat breast cancer together!**
